

## **MMFA welcomes IFL as new associate member of the association**

*Brussels, 30 January 2020* – MMFA, the Multilayer Modular Flooring Association is pleased to announce that the International Flooring Labs Ltd. (IFL) has become a new associate member of the organisation.

The President of the association, Matthias Windmöller (Windmöller), welcomed IFL to the association and stressed that *“IFL’s decision to join our organisation and to strengthen our ongoing efforts on standardization highlights the relevance of what we are trying to achieve for the industry of multilayer flooring to provide customers with high quality products.”*

*“We, at the International Flooring Labs Ltd. are very excited to be an MMFA member and we are looking forward to a fruitful cooperation with all the association’s members”*, Matthias Kistler, director for Business Development at IFL, stated.

IFL - International Flooring Labs Ltd. is based in Northeast China and specialises in quality control of flooring products in and from China and Southeast Asian countries. IFL provides factory audits, on-site inspections and lab testing that aim to uphold flooring industry quality standards, improve manufacturing practices and deliver peace of mind to clients worldwide.

With the addition of the IFL, the MMFA now has 25 ordinary members (producers of MMF flooring or their European representations), 27 associate members (supplier companies) and two supporting members (scientific institutes).
