

MMFA welcomes Abriso Jiffy as a new member

Brussels, 19 February 2025 – [MMFA](#), the Multilayer Modular Flooring Association, is pleased to announce that [Abriso Jiffy](#) has joined as an associate member.

The President of MMFA Jan Dossche (COREtec® Floors), said: *“We are delighted to welcome Abriso Jiffy as a new associate member. Their expertise in sustainable manufacturing and dedication to advancing circular economy practices will strengthen our collective efforts to promote innovation and sustainability in the modular flooring sector.”*

“As we proudly embrace a circular economy model, ensuring that our products follow a life cycle designed to minimise waste, we look forward to sharing our approach with the other MMFA members. We are ready to be a part of driving positive changes for our industry, learning about new ways of advancing environmentally friendly solutions”, stated Quality Manager at Abriso Jiffy, Dries Decuyper.

Abriso Jiffy is a Belgian company specialised in the extrusion of polyethylene (PE), polypropylene (PP) and polystyrene (PS) into technical foam solutions, profiles, foam and air bubble products as well as flooring underlay, insulation boards and tubes. The company operates from 17 production locations across Europe and prides itself on its sustainable, cradle-to-cradle approach, from recyclable packaging to an in-house waste recycling process.

With the addition of Abriso Jiffy, the MMFA now has 31 ordinary members (producers of MMF flooring or their European representations), 26 associate members (supplier companies) and four supporting members (scientific institutes).
